Highlights of the Class

The data for this report were collected through Internet, e-mail, and telephone surveys, and social media. Staff from the office of Career and Internship Services surveyed alumni who received undergraduate degrees from UMD between July 1, 2013 and June 30, 2014. This report is based on responses from 1755 graduates (90% of the reported 1944 undergraduate students granted degrees during the time frame).

Of the 1755, 1700 (97%) reported "employed" or "continuing education,"

- 1477 (84%) reported "employed,"
- 223 (13%) reported "continuing education."

740 (46%) of 1601 respondents indicated they had completed an internship or co-op experience.

Of those who completed an internship or co-op experience,

- 407 (60%) of 682 respondents reported they received academic credit for their internship or co-op,
- 284 (41%) of 685 respondents reported receiving an offer of employment from the internship or co-op site,
- 170 (60%) of 284 respondents accepted the offer.

275 (18%) of 1568 respondents indicated they had participated in a study abroad program.

Of the 1477 employed, 1462 (99%) responded to a question about the relevance of their jobs to their majors, with 1242 (85%) reporting employment "related" or "somewhat related" to major,

- 945 (65%) reported employment "related" to major,
- 297 (20%) reported employment "somewhat related" to major.

Of the 1477 employed, 1471 respondents indicated in which state they were employed and, of those, 1197 (81%) reported accepting employment in Minnesota.

Of the 1755, 47 (3%) reported they were still seeking employment.
