RECREATIONAL SPORTS OUTDOOR PROGRAM IS A STUDENT SERVICE FEE SUPPORTED ORGANIZATION. THE UNIVERSITY OF MINNESOTA DULUTH IS AN EQUAL OPPORTUNITY EDUCATION AND EMPLOYER.
DAILY CAMP INFORMATION

Check-in & Check-out

For Check-in, a camp counselor will have a camp roster sheet for the parents or guardians to sign-in each of their campers. Campers may be signed in as early as 7:45am and each must be signed in before participating in camp that day. For Check-out, a camp counselor will have the same camp roster sheet for parents or guardians to sign-out each of their campers. Only adults listed on the Check-out Approval List (see pg.10) may pick up campers.

Small Group Games

Small Groups are determined each week based on the number and age of all registered campers in Classic Camp. Other camps such as Venture Camp and the Specialty Camps are already based upon age appropriate Small Groups. The Small Group format allows our camp counselors to provide age appropriate games and activities in a ratio of 1 counselor for every 6 campers.

Lunch Time

Every day the campers and counselors will eat lunch 11:45am to 1:15pm. We are unable to provide a heating or cooling source for their lunch, so please pack daily lunch accordingly. All campers must provide their own lunch each day and only siblings may share food at lunch. In order to provide a safe eating environment for those campers with food allergies, trading and/or sharing food is prohibited at camp (see Camp Rules on pg.4). After campers are done with lunch they are encouraged to join in on games and active play with other campers and the counselors until the conclusion of Lunch Time. Parents are also welcome to visit and join us for lunch anytime!

Swim Time

Campers have the option to swim every day at camp! Swim Time is an option; all campers that choose not to swim will be able to hangout in Homebase for indoor play-time and game-time supervised by the camp counselors. Swim Time is supervised by camp counselors and monitored by certified RSOP Lifeguarding staff. There is a shallow end of the pool with tot-docks for campers that cannot swim. We provide some pool toys and floatation devices for all campers to use and share during Swim Time. Campers may bring their own pool toys and floatation devices, however all items must be inspected and approved by a camp counselor before use in the pool. All personal floatation devices (puddle-jumper, lifejacket, etc.) must be certified by the US Coast Guard (USCG) and properly fit the child. Campers that pass the Summer Camp Swim Test (see pg.6) may utilize the deep end.

Snack Time

The snack during Snack Time is free to all and completely optional every day. Campers may choose not to have the snack we provide, and all campers are encouraged to pack a snack of their liking to enjoy during the afternoon all-camp Snack Time. For afternoon snacks we typically provide the following items on a randomized daily basis: Honey Maid Graham Crackers, Rold Gold Twists/Stick Pretzels, Nabisco Nilla Wafers, Pepperidge Farm Goldfish Crackers, Red Vines Liquorice, Kettlecorn Popcorn, Nabisco Ritz Crackers, Sunshine Cheez-It Crackers, and at times a Freezer-Pop, Popsicle or Ice Cream Sandwich.

All Camp Games

The last hour of camp every day is scheduled for an All Camp Game that includes all campers from every camp and age group. The All Camp Game is optional and those campers that opt not to participate will have a number of other supervised games and activities to enjoy. All Camp Game Favorites are “Doctor, Doctor!” “Chaos Basketball” “Ultimate Noodle Tag” “Capture the Bean-bags” and many, many more!

Early Check-out & Daily Notes

During Check-in, adults dropping off campers are asked to inform the camp counselor with the Check-in Roster Sheet if the camper has an early check-out time, is going home with another camper or any other special circumstance that day. This information will be noted to all staff and will help us to provide a smooth transition for a timely pick-up. During Check-out, our staff may have notes concerning the camper’s behavior, minor accidents or injuries, as well as special event reminders happening the next day or that week. So it is important to always Check-in and Check-out your campers using our camp roster sheet with one of our camp counselors.
CLASSIC CAMP

UMD KIDSROCK Classic Camps are weeklong day camps that provide an exciting environment for children to be active, creative, and learn within small age-appropriate groups. Each week of Classic Camp has a theme with related activities, projects, Special Events & Dress-up days.

Special Event & Dress-up Friday

Every Friday we offer a Special Event based upon the Classic Camp theme of the week, and for every Special Event Friday campers dress-up in themed costumes and creative apparel. Every Friday the camp counselors will dress-up in their best themed outfits for the week. The campers are encouraged to dress-up in their most creative, funny, best outfit and the campers with the best dress-up costume will get to pie a counselor in the face!

Pie in the Face

Campers may opt into games or activities to which a pie in the face is an option. However camp counselors are not eligible to opt out of receiving a pie to the face. “We use an allergy free substitute for pie filling [common shaving cream] so that no counselors will be harmed in the process of being pied in the face... just embarrassed!” — MAYHEM 😊

What to bring to Camp!

Be prepared for camp with this Check List...

- Check the weather forecast and dress accordingly
- Wear active clothing for inside and outside
- Wear closed-toed shoes (runners, sneakers, etc.)
- Your lunch bag and afternoon snack

VENTURE CAMP

Venture Camp is a weeklong camp that provides a stimulating social and active environment with age appropriate weekly programming for young teenagers that include leadership, outdoor exploration, health and wellness, science and technology, and many more. Some weeks of Venture Camp may include overnight events, such as tent camping. For details please email us at kidsrock@d.umn.edu

CLIMBING CAMP

Climbing Camp is one of our weeklong specialty camps that will provide campers with firsthand experience, training, knowledge, skills, and practice in climbing indoor and outdoor for all levels and abilities. KIDSROCK will provide all necessary climbing equipment, however campers are encouraged to bring their own climbing gear to camp. All personal climbing gear must be inspected and approved by a camp counselor before a camper is allowed to use it at camp. Campers will utilize the two indoor climbing walls at UMD and take climbing trips to Ely’s Peak, Silver Cliff, and Whoopee Wall, to name a few.

BIKING CAMP

Biking Camp is another one of our weeklong specialty camps that provide campers with firsthand experience, training, knowledge, skills, and practice in road biking and trail riding for all levels and abilities. KIDSROCK can provide some bike equipment, however campers are asked to bring their own bike helmet, bike, and personal cycling gear to camp. All personal gear must be inspected and approved by a camp counselor before a camper is allowed to use it at camp. Campers will ride their bikes around UMD Campus, through Hartley Park trails, Lester Park trails, and the many other local bike trails of Duluth.

RIVER CAMP

River Camp is another one of our weeklong specialty camps that provide campers with firsthand experience, training, knowledge, skills, and practice in paddle sports and river activities for all levels and abilities. KIDSROCK will provide all necessary paddling and general river equipment, however campers are asked to bring their own lifejacket and personal swimming gear (water shoes, swimsuit, towel, etc.) to camp. All personal floatation devices must be inspected and approved by a camp counselor and must be certified by the US Coast Guard (USCG) before a camper is allowed to use it at River Camp. All campers registered for River Camp must pass the Summer Camp Swim Test (see pg.6) before they are allowed to continue to participate in River Camp activities. Campers will explore and learn about the local rivers and Lake Superior while canoeing, paddle boarding, and enjoying other river activities.
**SUMMER CAMP RULES**

The following are the UMD KIDSROCK Camp Rules.

1. Treat others the way you would like to be treated.
2. Be helpful, not hurtful!
3. Listen to your counselors!
4. Use camp appropriate language.
5. Use the Buddy System at all times.
6. No chewing gum or candy at camp.
7. Always pick up after yourselves.
8. Follow all other facility rules (Pool, Rock Wall, etc.)
9. No eating at any time other than lunch or snack.
10. No sharing food with other campers.
11. No picking up rocks, sticks, or leaves.
12. Pick up and throw away your own trash.
13. Leave all of your toys at home.
14. Respect all campers and camp staff.
15. Be Safe, Have Fun!

**BUDDY SYSTEM**

All campers that for any reason need to separate from the main group of campers (restroom break, drink of water, etc.) must find a fellow camper ("buddy") then find a camp counselor to escort them to where the two campers need to go. The Buddy System ensures that no camper is left alone or wonders off from the camp group, and that a camper and counselor are not ever alone together. Our camp staff have been well trained to utilize this system and are very willing to accommodate any needs or requests that a camper has as long as they have a buddy and ask a counselor.
