DAILY CAMP INFORMATION

Check-in & Check-out

For Check-in, a camp counselor will have a camp roster sheet for the parents or guardians to sign-in each of their campers. Campers may be signed in as early as 7:45am and each must be signed in before participating in camp that day. For Check-out, a camp counselor will have the same camp roster sheet for parents or guardians to sign-out each of their campers. Only adults listed on the Check-out Approval List (see pg.9) may pick up campers.

Lunch Time

Every day the campers and counselors will eat lunch 12:00pm to 1:00pm. We are unable to provide a heating or cooling source for their lunch, so please pack daily lunch accordingly. All campers must provide their own lunch each day and only siblings may share food at lunch. In order to provide a safe eating environment for those campers with food allergies, trading and/or sharing food is prohibited at camp. After campers are done with lunch they are encouraged to join in on games and active play with other campers and the counselors until the conclusion of Lunch Time. Parents are also welcome to visit and join us for lunch anytime!

Swim Time

Campers have the option to swim every day at camp! Swim Time is an option; all campers that choose not to swim will be able to hangout in Homebase for indoor play-time and game-time supervised by the counselors. Swim Time is supervised by camp counselors and monitored by certified RSOP Lifeguarding staff. All campers that do not pass the Summer Camp Swim Test will be provided with a personal flotation device. Campers may bring their own flotation devices. All personal flotation devices (puddle-jumper, lifejacket, etc.) must be certified by the US Coast Guard (USCG) and properly fit the child. All campers will need to pass the Summer Camp Swim Test (see pg.7) to swim without a personal flotation device and utilize the deep end of the pool.

Snack Time

The snack during Snack Time is free to all and completely optional every day. Campers may choose not to have the snack we provide, and all campers are encouraged to pack a snack of their liking to enjoy during the afternoon all-camp Snack Time. For afternoon snacks we typically provide the following items on a randomized daily basis: Honey Maid Graham Crackers, Rold Gold Twists/Stick Pretzels, Nabisco Nilla Wafers, Pepperidge Farm Goldfish Crackers, Kettlecorn Popcorn, Nabisco Ritz Crackers, Sunshine Cheez-It Crackers, and at times a Freezer-Pop, Popsicle or Ice Cream Sandwich (other options available as needed).

Buddy System

All campers that for any reason need to separate from the main group of campers (restroom break, drink of water, etc.) must find a fellow camper (“buddy”) then find a camp counselor to escort them to where the two campers need to go. The Buddy System ensures that no camper is left alone or wanders off from the camp group, and that a camper and counselor are not ever alone together. Our camp staff have been well trained to utilize this system and are very willing to accommodate any needs or requests that a camper has as long as they have a buddy and ask a counselor.

Early Check-out & Daily Notes

During Check-in, adults dropping off campers are asked to inform the camp counselor with the Check-in Roster Sheet if the camper has an early check-out time, is going home with another camper or any other special circumstance that day. This information will be noted to all staff and will help us to provide a smooth transition for a timely pick-up. If plans change after Check-in you can call our camp phone, 218-391-9886. During Check-out, our staff may have notes concerning the camper’s behavior, minor accidents or injuries, as well as special event reminders happening the next day or that week. So it is important to always Check-in and Check-out your campers using our camp roster sheet with one of our camp counselors.

The JC Program is designed for high school students who would like to further enhance their leadership skills and learn what it is like to be a UMD KIDSROCK counselor, while earning volunteer hours. All Junior Counselors will be placed into a camp group, alongside our full-time camp counselor staff, and assist with daily responsibilities, tasks and duties of summer camp. These duties including: dynamically interacting with the campers, facilitating energetic games and projects, monitoring the safety of camp and participating in the various camp events. In exchange, Junior Counselors will gain positive workplace experience, American Red Cross Certifications, and leadership skills in a fun creative environment.

Due to the popularity of the UMD KIDSROCK JC Program, we unfortunately cannot guarantee a spot to everyone who wishes to participate. The $60.00 workshop fee applies to all participants of the Junior Counselors workshop, and is due on or before the UMD KIDSROCK Jr Counselor Workshop in June. For more information and those interested in applying to be a KIDSROCK JC Program this summer, please email kidsrock@d.umn.edu with your questions or visit the RSOP website.
